

JAPAN TRIP MOODBOARD

Personal Vacation & Architecture Reference Notes

"A private collection of design textures, color swatches, and geographic checkpoints entirely unrelated to institutional portfolio auditing guidelines."

1. URBAN ENVIRONMENTS & NEON PALETTES

Shinjuku Omoide Yokochō

TOKYO • NIGHT PHOTOGRAPHY • CYBERPUNK TEXTURES

Focus on high-contrast lighting setups. Narrow alleyways framed by cascading retro paper lanterns, weathered wooden beams, and reflecting rain puddles casting vibrant neon greens and crimson tones onto asphalt.

[PALETTE CONFIGURATION: #D63031 | #00B894 | #2D3436]

Akihabara Backstreets

TOKYO • ELECTRONIC EPHEMERA • VINTAGE TECH LAYOUTS

Visual reference capturing dense stacks of circuit boards, glowing LED indicators, retro cathode-ray displays, and layered vintage signage graphics. Perfect inspiration for abstract electronic UI layout exploration.

[PALETTE CONFIGURATION: #0984E3 | #F1C40F | #1C1C1C]

2. TRADITIONAL HARMONY & ORGANIC TEXTURES

Arashiyama Bamboo Grove

KYOTO • NATURAL MINIMALISM • SHADOWS & SPACE

Vertical compositional alignment. Tall, soaring organic stalks slicing midday sunlight into sharp geometric lines. Focus on natural variations of jade and olive greens, juxtaposed with sandy, muted path textures.
