

EMBARGOED CONCEPTS — DO NOT USE

LANTERN TIDES SHOWCASE Pipeline Blocked Artifacts

CRITICAL COMPLIANCE NOTICE: The visual assets recorded below represent unapproved conceptual design variations for the *Lantern Tides* initiative. Under current regulatory and brand board frameworks, these files are strictly barred from appearing in personal portfolios, public case studies, or unencrypted web networks.

1. Prohibited Visual Keyframes

LT2026_HERO_ALT_CONCEPT.jpg

Format: 4K Wide-Gamut Visual Keyframe | Primary Variant

STRICTLY BLOCKED

Reason for Rejection: Showcases unannounced thematic world-building elements. Creative direction changed on 2026-04-14; this model violates the updated brand architecture guidelines.

LT2026_CHAR_MATTE_v04.png

Format: Digital Matte Painting | Character Concept Overlay

STRICTLY BLOCKED

Reason for Rejection: Contains proprietary technical costume meshes provided under early studio pipeline licensing. Intellectual property protections prohibit disclosure prior to full product launch.

2. Prohibited Interface & Brand Prototypes

LT2026_UI_DASHBOARD_PREVIEW.fig

Format: Figma Interactive Canvas Workspace Component

STRICTLY BLOCKED

Reason for Rejection: Fails internal accessibility layout matrices. The data grid configuration drops below standard minimum target sizes and lacks executive operational approval.

LT2026_LOGO_KINETIC_v2.mp4

Format: 60fps Motion Framework Title Sequence

STRICTLY BLOCKED

Reason for Rejection: Overridden by the Ministerial Review Board. The timing curve configurations overlap restricted promotional metadata layers. Detailed layout edits required.
